To Whom it May Concern

I'm from Camp Weequahic, a private co-ed summer camp in Northeast Pennsylvania, and we're looking for a sous chef to assist our head chef in the kitchen. This position is for a seasoned student or recent graduate who will love living in community, is flexible, a hard worker and someone who will enjoy spending time with our other staff members, who are from all over the world.

I am hoping there is a platform or listserv in your organization on which I might be able to post this job opening or you might be able to distribute this information to students interested in a summer job (please let me know if there is a better person to contact!). I welcome the opportunity to speak with any interested candidates.

The coronavirus (COVID-19) is on everyone's mind. As for questions pertaining to camp, the quick answer is, "Camp is on!" We are continuing to hire our summer staff to be part of our dynamic 2020 team.

If you want to succeed in the culinary industry you need a good education and hands on experience with a good mentor. Camp Weequahic is a great training ground with a top notch executive chef to mentor you in all aspects of running a kitchen facility and serving over 600 campers and staff daily.

Camp Weequahic, a residential camp for boys and girls ages 7 to 16 years old in Lakewood, PA, is searching for a Sous Chef. This is a great job opportunity for a culinary student looking for paid hands-on training in an awesome summer camp environment. College credits are available for internship or practicum hours. Must have completed at least 2 years of culinary school.

The main responsibilities of this role includes, but is not limited to:

- *Work with executive chef, assistant chef and kitchen staff to plan, prepare, and serve all meals for campers, staff, and guests
