

We are looking for a chef or cook to help us with a family reunion at our home this summer.

- There will be about 20 people.
- We would like someone to help us throughout the day preparing simple breakfast in the morning (eggs, cereal, fruit, etc.); lunch (sandwiches, salads, etc.), snacks throughout the day, and dinner (likely we would bring in food from local restaurants but open to suggestion).
- Would need to help with clean up.
- Open to creative suggestions for meals and snacks.
- Also open to a team of two people.
- Wednesday July 28 - Monday Aug 2 at our house in north Bend.
- Pay would be \$30/hour depending on level of experience.

We are a fun family, no smoking, must be dog friendly, and COVID safe.
