Subject: Resident Culinary Internships @ Camp Weequahic

Greetings from Camp Weequahic!

My name is Morgan Callwood and I am the office manager at Camp Weequahic. I am reaching out to internship coordinators, program directors and coordinators, and department heads to offer culinary resident internships for the 2021 summer camp season. We have hired some great interns and are looking to round out our team and hire a few more for this camp season. Applications are accepted on a rolling basis until positions are filled.

I would love for you to read and/or distribute our field experience manual (see below) and share this learning experience with your students. I would also be happy to set up a quick phone call to answer any questions. Thanks for helping us get the word out.

We look forward to partnering with universities and colleges as an approved site for great summer internships, hands on learning experiences, and training students in valuable skills they can use in future jobs.
