ABOUT CORK & BARREL

Cork & Barrel is Central Oregon's largest wine & food event as well as the most robust fundraising event in Central Oregon. We bring a different wine region to Central Oregon every year and work year-round to curate top-notch wineries, culinary experiences, and auction items to provide exemplary guest experiences and win-win relationships with partner wineries, guest chefs, and restaurants. 2021 is the 9th year of the annual Cork & Barrel wine and food event series.

All revenue benefits KIDS Center, our area's only child-abuse intervention center. Dedicated to the prevention, evaluation, and intervention in cases of child abuse, KIDS Center provides medical evaluations, forensic interviews, family support services, and individual and family therapy at zero cost. The Cork & Barrel event series funds 20% of the total operating budget of KIDS Center every year and raised \$750,000 in three days for KIDS Center in 2019.
