

Expediter (Expo)

Job Description:

As an expediter, you will play a valuable role in the quality control of food before it reaches the final destination at the Guest's table. You will be knowledgeable of the menu items and be able to recognize when plates have been properly prepared to the Guest's specifications. You will alert servers to pick up their orders on a timely basis for guest service. You will be responsible to notify managers when a server needs assistance in delivering food on a timely basis.

Details:

Competitive Pay: \$12.00-\$14.00/hr (Plus Tips)

- Staging Food
- To-Go set up
- Assist Servers and Bartenders

Anthony's Mission Statement

"To build an innovative, financially successful, growing restaurant organization that provides each and every Guest the very best Northwest cuisine. To accomplish these goals, we must create and maintain an environment that stimulates creativity, motivates personal growth and enables all to strive toward untapped potentials. We must work as a team where results become synergistic. We must cultivate our Guests' loyalty by consistently offering excellent quality and value while responding to our Guests needs with sensitivity and a can-do attitude. We must accomplish our goals without compromising our high standards of quality, cleanliness and honesty."
