

## [brnw.org](https://brnw.org)

BRNW's mission is to provide fully supported bicycle tours that deliver an exceptional rider experience, showcasing the natural beauty of the Northwest, and benefitting communities and businesses in the region.

What makes a BRNW tour different is the routes, the food, the host communities, and the amenities.... It's all those things and more.

We focus on one thing – first, foremost and always: the rider experience. We've been doing this for more than 30 years – we've worked out the best way to handle the things that make up a tour.

### Ride Size

As part of a great rider experience, we limit the size of our events. We know a smaller group makes a better event for riders, contractors and crew. So we limit our events to 325 riders – small enough so you can renew friendships and build new ones.

Come join our crew for one or both 2022 tours: June 17-26 and July 8-17

<https://brnw.org>

*Tour includes vans outfitted for those who want a little help along the way.*

**Come Crew for BRNW!**  
Email: [julie@brnw.org](mailto:julie@brnw.org) for more information on these paid positions.

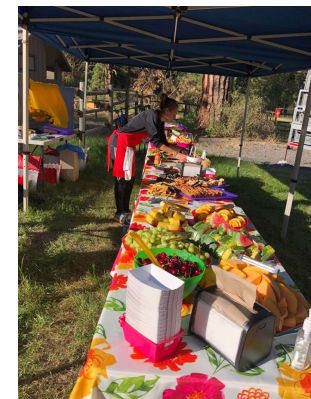

We need Support and Gear (SAG) Drivers and Reststops, Camp Central and Construction Team Members!

*Camp in Naches, Washington*

*Riders enjoying a scenic ride along the Deschutes River.*

*Our rest stops and food along the route are famous!*
