HIRING CREATIVE KITCHEN LEAD

Schoolhouse Produce, a small family-owned organic produce and specialty grocery market in Redmond, is seeking a creative kitchen manager/cook to take our small organic deli to the next level. Currently our kitchen produces house-made soups daily, a selection of fresh sandwiches, and the occasional grab-and-go items, all inspired by the fresh, organic and local produce we have in store.

We are looking for someone interested in crafting delicious organic lunches, developing new recipes to highlight in-season produce, creating new items to add to our lunch menu, and setting up kitchen organization and procedures to allow our kitchen ongoing success. Many of our customers seek out vegan, vegetarian and gluten-free options, so if that's your interest, we'd love to chat with you.

This is a perfect opportunity to make your creative mark in a really small, fun, and fresh kitchen! Ideally we'd love to have you 7am-1pm for 3-5 days a week. \$20/hour. Because we are a very small team, punctuality, dependability, and a sense of humor are essential.
