Good morning,

As your semester winds down, the Xanterra Travel Collection has opportunities in our National Parks for students looking to start a career or summer employment within the Hospitality and Culinary field. Housing is on us this summer, so not only can students gain practical work experience in one of our National Parks, but they also get to live there for free.

- Our Management positions are located [HERE](#)
- Culinary Opportunities are located [HERE](#)
- Our Internship information and openings are located [HERE](#).

If you have social channels or job boards, please feel free to post our attached flier and forward this [email](#) to any students that might be interested.

If you have any questions please feel free to contact me.
