A bit about us...

Born in 2013 on the historic corner of Bend's eclectic downtown, Drake - Downtown Bend is a traditional-with-a-twist restaurant offering a delicious dining experience in a comfortable environment. From classic, nostalgic flavors to new and creative dishes, we cook food that is sometimes elegant, sometimes rustic and always honest. Just as important as the food is the way you feel when you're here. Drake - Downtown Bend is one part retro neighborhood café and one part elegant bistro – a place where you and your family can get comfortable and have a good time. Our welcoming staff goes to great lengths to make diners feel at ease and well taken care of.
