

My name is Cara and I'm the HR Coordinator at Black Butte Ranch. I wanted to reach out to you because we're currently hiring for Cook positions in our Pub and Bistro. We would love to hire some of your students for the summer – should any of them be looking for a summer employment opportunity still. We currently have limited housing available that we'd like to offer as well. I would love to start a relationship with our local culinary institutes moving forward – as we're always looking for great talent in our kitchens! If you know anyone who might be interested, I'm happy to answer any questions or they can look at the job descriptions/application process on our website. Also, I'm more than happy to send over any flyers/posters, if you think that might be helpful.

Thank you so much for your time!

Best,
Cara
