

Fri 9/1, 4:34 PM

Hilary,

We are a local pizza catering business in need of a baker. We make gourmet pizza. Some of it is bougie af.

Your creativity and expertise is welcomed and respected.

We will also be opening a food truck in November and need help baking for this venture as well.

Part time to start and more time as we grow.

Our baker will also have opportunities to work in the field at events and in the food truck if desired.

Please contact Danny @ 541-280-3259
