

## **Private Chef Opportunity – Grants Pass, Oregon**

Hello - My wife and I are retiring and looking for a private chef who will prepare our meals. For the majority of the time, you will be preparing food for just my wife Theresa and I. However, we have 13 children, 18 grandchildren, and 8 great-grandchildren that we like to entertain and prepare meals for. We have a marvelous kitchen and poolside bar-b-que area. Competitive wages/ salary. We love all types of foods and this is the opportunity to showcase your capabilities. This is a full-time position and includes a guest residence (house in red).

We are looking for a Chef to prepare 3 meals a day plus, nutritional snacks. We are meat eaters and will be growing our own vegetables, beef, pork, chicken, lamb, and eggs. We would prefer to exclusively use all natural products. Our Kitchen has 3 ovens and a stovetop. We also have a spacious outdoor BBQ area at our poolside bar and grill for those days our chef wants to BBQ. We are looking for someone who can take us on a journey of fabulous tastes from across the world.
